

## UBUMELWANE INVITATION

12 August, Masiphumele

After a successful meeting, followed by lively discussion with Ronnie Kasrils at Sunny Cove B&B on 15 July, the Neighbourhood has been invited by Mr. Bheki Mvovo, the Chairperson of Amakhaya Ngoku Housing Project to Masiphumelele. UbuMelwane is delighted to accept the offer and you are herewith invited to an early evening meeting at which we will be shown (walkabout style) what they have achieved and what challenges still lie ahead. Afterwards we will meet in the Amakhaya Ngoku community hall where Mr. Mvovu, the local Councilor Mr. Nikelo and others will address us to which I will respond on behalf of ubuMelwane. This invite is therefore extended especially to those not resident in Masi to help us toward the removal of the mental and physical walls that exist between Fish Hoek, Ocean View and Masi –and all adjacent areas.

I urge you to have a look at the AN website: [www.amakhayangoku.co.za](http://www.amakhayangoku.co.za)

Date, time, place:

If you are not familiar with Masi we suggest you come to the HOKISA Children's Home at 1576 Skina Road from 5.15pm onwards and you will be guided to the Hall (Even if you are late, you will be assisted).

To get to HOKISA: Coming into Masi from Kommetjie Road turn into Pokela Road and proceed until you see the Day Care Clinic and Ukhanyo Primary School on the left. Turn left and left again into Skina Road. From the corner you can see the HOKISA logo. We will assist you to the venue from there.
