

UBUMELWANE

3 April 2014.

Dear Neighbours,

I apologise for the flurry of emails. I will be out of town for a while and wanted to get these important issues across to you.

I gladly endorse the invite to the book launch announced below. I cannot be there myself but I very much hope that in an effort to build our neighbourhood, that not merely people from Masi come to the launch. If you cannot be there, please purchase the book.

Kind regards,

Horst

Dear all,

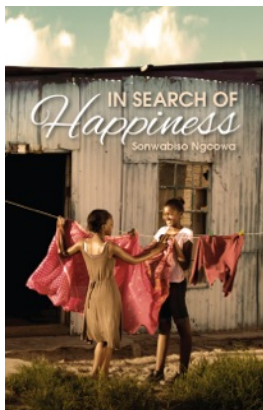

It is great to share with you the good news that Sonwabiso's first novel "In Search of Happiness" is published and the first book launch will be in our Masi Library on Tuesday, 15 April 2014, at 17.15 hrs (see the book cover below).

Also Zinzi Klaas will read her poem "Because it's love" (published in the book). The novel supports the rights of sexual minorities.

Please share with friends and family and join us to celebrate this excellent achievement of a young writer from Masiphumelele.

Best regards,

Lutz
