

Ubumelwane – Neighbourhood

Dear Friends

Concert: 22nd November 2013

This is a GREAT NEWS email about things coming together in the South Peninsula!

Sarita Stern, well known opera singer and voice trainer has organized a concert in our neighbourhood. One of her students, Vuyelwa Jacobs, who joins the Board of the HOKISA Children's Home in Masiphumelele in 2014, will be performing with the Sarita Stern Singers. Ian Burgess-Simpson will kindly lend us a beautiful piano for the concert. Living Hope will make their super hall available and a vital housing project in Masiphumelele is set to benefit.

The programme will be varied and includes works by Puccini, Mozart, Donizetti, Lotti and Vaughn Williams.

Attached is an invitation to support the event (please note this is not a ticket; all the printed tickets are numbered).

PLEASE CONTACT Di TO BOOK YOUR TICKETS – EITHER BY

EMAIL: doliver@global.co.za or by SMS or TELEPHONE: 083 232 2349. Detailed directions to the venue are also available on request.

I look forward to seeing you there and to meeting as neighbours.

With warmest thanks for your support.
